Dr. Yong Zhao currently serves as Foundation Distinguished Professor in the University of Nebraska College of Education, and he was previously the President and Chief Executive Officer of the National Association for Gifted Education. He has over 35 years of experience as a researcher, professor, and leader in gifted education and world education systems. Dr. Zhao has published over 300 articles and books, including What’s Wrong with Our Schools? Why Chinese Children Are Good at Math and What We Can Learn from Them. He can be found on LinkedIn.

Dr. Stuart Ablon is a pediatric psychologist, author, and consultant who has dedicated his career to understanding and helping children and families with challenging behaviors. He is the founder of the B.I.T.T. (Behavioral Intervention Through Treatment) program, which is designed to help children with autism spectrum disorder (ASD) and other developmental disorders. Dr. Ablon received his doctorate in clinical psychology from the University of Maryland, College Park, and he is currently a Professor of Psychiatry at the Yale School of Medicine.

Dr. Yong Zhao is a Professor of Education at the University of Nebraska, and he is the author of 14 books on the topic of gifted education. He is also the recipient of the 2007 National Association for Gifted Children’s (NAGC) Distinguished Service Award and the 2008 NAGC Gifted Educator of the Year Award.

Dr. Stuart Ablon is a pediatric psychologist, author, and consultant who has dedicated his career to understanding and helping children and families with challenging behaviors. He is the founder of the B.I.T.T. (Behavioral Intervention Through Treatment) program, which is designed to help children with autism spectrum disorder (ASD) and other developmental disorders. Dr. Ablon received his doctorate in clinical psychology from the University of Maryland, College Park, and he is currently a Professor of Psychiatry at the Yale School of Medicine.

At a recent ceremony in Washington, D.C., he was awarded the Presidential Award for Excellence in Gifted Education. This award is given to individuals who have made significant contributions to the field of gifted education and have demonstrated leadership in the identification, cultivation, and development of exceptional talent.

Dr. Stuart Ablon is a pediatric psychologist, author, and consultant who has dedicated his career to understanding and helping children and families with challenging behaviors. He is the founder of the B.I.T.T. (Behavioral Intervention Through Treatment) program, which is designed to help children with autism spectrum disorder (ASD) and other developmental disorders. Dr. Ablon received his doctorate in clinical psychology from the University of Maryland, College Park, and he is currently a Professor of Psychiatry at the Yale School of Medicine.

To summarize, Dr. Yong Zhao and Dr. Stuart Ablon are both prominent figures in the field of gifted education. Dr. Zhao is known for his work in character education and character development, while Dr. Ablon is recognized for his contributions to the treatment of children with behavior problems. Both have received numerous awards and honors for their contributions to the field.
The National Conference on Innovative Teaching Strategies was also filled with bringing together internationally famous speakers and groundbreaking practitioners to focus on the novel, creative and practical side of teaching students K-12. Attendees will discover research-proven and field tested tools and techniques to help them connect with and empower students with various types of challenges.
